Moody Gardens Partnership

MARSH has partnered with Moody Gardens in the last year to create a hobbyist stocked reef display. Together we have cultivated a lasting partnership and created a mutually beneficial opportunity for all involved. We've shared the latest reefing techniques, know-how and expanded the education and research between our hobbyists and their researchers and biologists.

Join MARSH

Our club membership encompasses members who've just started to members who have been reefing since the 80s. We can help you with everything from tank selection, lighting, plumbing, and chemistry to algae and coral problems.

Enjoy our discussion forums, check out the events calendar and meet up with local reef enthusiasts, and browse the

Our “Grow Out” and “Let It Grow” campaigns were a huge success with over 100 frags donated to Moody Garden’s new 2000gl reef exhibit and Coral Garden. This will be their first reef exhibit since Hurricane Ike!

We at MARSH are continually looking for ways to support conservation, education, and environmentally friendly breeding and propagation programs and look forward to partnering with Moody Gardens in future conservation efforts.

Hello fellow reefers. I’m your new MARSH President, Sharath Ravula aka OceansX. I’m a professional Oceanographer and just celebrated my 30th year in the hobby. The last 6 plus years I’ve spent helping the club with Reef Currents, along with many BOD, volunteers, & the club’s support. I hope with that background to organize and lead the club into a more relevant & fun future.

Joining me are the following board members for the 2018 – 2019 year:

- David Pinder - Vice President (reeftopia)
- Cody Noel - Secretary (Cody)
- Gregg Hamilton - Treasurer (Gregg)

Directors:

- Candace Arnold - Former President
(cacarnold3)
- Steve Baring -Former Vice President
(steveB)
- Deanna Horning - Former Secretary
(sneezebeetle)
- Bret Flemmons
(PorpoiseHork)
- Chris Francis
(chrisF)

I hope the BOD & I can provide opportunities for you to have more reefing fun, learning opportunities, and a friendly community.

Let's make this a year a fun year for reef-keeping,
